RE: APRIL 16, 2018 CIVIL JURY DOCKET – HAMILTON COUNTY

You are advised of the following settings for the cases on the attached list.

PRETRIAL: To Be Determined

JURY VOIR DIRE: Monday, April 16, 2018 at 9:00 a.m.

All motions must be presented at the pretrial setting. Failure to appear and present your motions, without consent of the Court, will constitute waiver. This includes continuances, limine, discovery rulings, etc.

Jury selections will occur on April 16, 2018. There will be no motion practice this date. Your actual trial will be set to begin one day that week. That setting will be determined immediately before the jury selection.

On Friday before jury selections, you will need to submit your requested questions and special instructions by email to Linda Meinkowsky at crtadm220@bosquecounty.us in Word format.

Sincerely yours,
